INTERNSHIP LETTER

Dear Vivek Sharma

This is to certify that Vivek Sharma completed a three 3 months internship as a Web Developer Intern at Redx Technologies, starting from 1 October 2025.

During the internship period, he worked on web development technologies including HTML, CSS, Bootstrap, JavaScript, PHP, and MySQL. He was involved in developing responsive web pages, implementing backend functionalities, and working with databases. Vivek demonstrated good technical skills, a positive learning attitude, and dedication toward his responsibilities.

His conduct during the internship was professional, and his performance was found to be satisfactory.

We wish him success in his future endeavors.

Regards,

AMIT SINGH
